Dear Ms. Shell,

A \$50.00 donation will allow you to use any portion of the interview for any reason you desire, just so long as you credit the Foundation for Children's Rights corporately, and the interview participants individually.

The Foundation for Children's Rights, otherwise holds the copyright for the interview and does not authorize its use for profit or gain without due compensation to the Foundation.

For your convenience, here is our donation page on our website, www.fcr4kids.org/donations.htm.

Yours in Christ,
 Rev. Randy Blair, Chaplain - Foundation for Children's Rights

would you have a copy of the tape of that interview that you could share with me so I can use a few clips? I'm trying to include these efforts in my documentary video programming.
